Subject: Lower Ley Creek: USEPA Inquiry re Good Faith Negotiation

Lauren:

Based on our recent joint communications w/ USEPA and the industrial PRPs, Onondaga County understood the USEPA RD request letter would identify which other parties were being asked to participate. The letter rec'd by the County did not do so. Were other parties recipients of the same letter from USEPA? If yes, were their letters also dated March 3, 2015 or were they earlier in time? If no, will other parties be receiving the same letters of inquiry or different letters? Assuming the answer is yes, I am asking that you identify who else rec'd the same letter the County rec'd.

Thank you.
